

WELCOME HOME CARE SERVICES

Recuperative Care (Medical Respite) | Admission & Eligibility Criteria

Program Overview

Welcome Home Care Services provides short-term, non-medical recuperative care for adults who are medically stable for discharge but need a safe and supportive setting to continue recovery. Our six-bed facility is located in Westchester, California and serves Los Angeles County.

Who May Be Appropriate for Admission

- Medically stable for discharge from a hospital or other healthcare setting.
- Needs short-term recuperative care following an illness, injury, or hospitalization.
- Experiencing homelessness, at risk of homelessness, or does not have a safe and appropriate place to recover after discharge.
- Appropriate for a non-medical recuperative care setting.
- Independent with activities of daily living (ADLs).
- Able to independently manage and self-administer prescribed medications.
- Able to independently manage toileting and personal hygiene.
- Able to safely use necessary medical equipment without hands-on assistance from facility staff.
- Able to ambulate independently, with or without an assistive device.
- Able to participate in case management, care coordination, and discharge planning.

Generally Not Appropriate for This Setting

- Requires skilled nursing, medical treatment, medication administration, or hands-on assistance with activities of daily living from facility staff.
- Requires a level of care that cannot be safely supported within a non-medical recuperative care setting.
- Is unable to independently manage medications, toileting, personal hygiene, mobility, transfers, or necessary medical equipment.

Referral Information to Include

- Completed referral form
- Available hospital or healthcare discharge documentation
- Current medication list and discharge instructions
- Relevant information needed to understand the client's current needs and determine program appropriateness
- Insurance, authorization, or funding information when applicable
- Referring contact information and anticipated discharge date

Important: Submission of a referral does not guarantee admission. Each referral is reviewed individually based on client needs, program eligibility and appropriateness, required authorization or funding, whether the facility can safely support the client's needs within its non-medical model, and current bed availability. Welcome Home Care Services does not provide skilled nursing, medical treatment, medication administration, or hands-on personal care.
